With another Can Food Drive to benefit
Canton Calvary Mission

"Serving Christ in the heart of the community by creating a safe haven and center for learning as well as providing for the spiritual and physical needs of the community" is the Mission Statement for Canton Calvary Mission.

Canton Calvary Mission is located in NE Canton, one of the poorest areas in Stark County. Many of the people living in the area are victims of plant closures, employers moving out of the area and the out-sourcing of jobs. Some of the folks have lived in generational poverty; others are finding themselves in a new situation. The Mission seeks to serve these folks in need through its programs. The programs and services offered by Canton Calvary Mission include a Food Pantry, Hot Meals twice a week, free haircuts, tutoring, a children's art program and much more.
